## Cargo hub and logistics

Source: [Kale Logistics](#); [Logisticsinsider.in](#);

- The airport is poised to become a cargo hub for Maharashtra and Karnataka, handling **25,000 metric tonnes** annually.
- The integrated cargo terminal will handle wide-body aircraft like Boeing 747 and Boeing 777, along with various types of bulk cargo.
- Currently, only Mumbai, Hyderabad, or Chennai are options. This will shift freight to Goa for export rather than from Goa to Mumbai.
- Pharmaceutical companies will greatly benefit once the cargo hub in Goa begins operations.
- The airport will also facilitate and increase the export of perishable items from Goa.
- Kale Logistics Solutions has set-up its advanced cargo management system, GALAXY, at Mopa airport, enabling **100%** digital domestic cargo operations.

- North Goa and the Konkan region is well known worldwide for its popular beaches, nightlife, music festivals and the vast coastline attracting tourists globally.
- Investments in Mopa's hospitality sector are projected to reach nearly **Rs 2,700 crores** by **2030**, indicating strong growth potential for Goa's tourism industry.
- Goa hosted a total of **38.3 lakh** tourists from which **36.1 lakh** were domestic and **2.1 lakh** were foreigners (up to May 2023).
- Potential increase in footfall due to the upcoming theme park near Mopa Airport driving tourism growth.

## Agriculture

- The cargo hub at the airport will help the companies to transport their product.
- Flowers like orchids are exported from Dabolim airport hence there is potential for development in this business with the help of the new airport at Mopa.

Source: [Financial Express](#), [Times of India](#), [Gomantaktimes](#).

# Opportunities (2/2)

## Real Estate

- The new airport will boost tourist footfall in Goa, driving demand for residential and commercial real estate. Property prices are expected to rise by **27-30%** annually, benefiting areas like Morjim, Assagao, and Siolim and creating growth opportunities in commercial, logistics, and residential sectors.

## Cargo & Logistics

- The cargo hub in Mopa can aid the cluster of pharmaceutical and manufacturing companies in Goa. Cargo shipments from Mopa will cross **1,00,000 metric tonnes** by **2045**.
- The elevated corridor will also improve access to Mopa.

## Employment

- Mopa is set to create job opportunities to at least **3,000 - 4,000** for Pernem residents providing security and stability to the economy.
